image 1 of 4

condition: **good**

Used Games:

T.I.M.E Stories (\$60)

- 1) Base game with Asylum scenario (with box)
- 2) Marcy Case scenario (no box)
- 3) A Prophecy of Dragons scenario (with box)
- 4) Expedition Endurance scenario (with box and still in shrink).

Sentinels of the Multiverse (\$40)

Complete copy of the following:

- 1) Sentinels of the multiverse base game (with box)
- 2) Rook City + Infernal Relics expansion (with box)
- 3) Shattered Timelines expansion (no box)
- 4) Guise, the Scholar, Unity, Mr. Fixer, Ambuscade, Miss Information, The Wager Master, and The Final Wasteland expansions (small expansions so no box for these).

Friday (\$5)

- 1) Game (with box).

Valley of the Kings (\$5)

- 1) Game (with box)

Items well taken care of although I did not sleeve them.

For Sentinels, some of the divider cards cards for box storage were received slightly bent when I purchased the game. I took a photo of the most egregious one.

Available for pick up. I work in Sunnyvale and live in San Jose so am pretty flexible for meeting. I can send further pictures but I'm thinning out my collection and posting games as I realize I don't play them any more.
